

DSP CHALLENGE TEST PREPARATION & TUTORIAL

Our trainers are experts in Adult Residential Care and have experience as well as the credentials which are second to none. Our rigorous training and development programs ensure that our trainers are qualified in one-on-one or group instruction.

The key to confidence is preparation. But not every method of preparation is right for every trainee. Community Care Consultants Premier Challenge Test preparation and Tutorial course is tailored to your employee's education level and study style. We will provide the one-on-one attention or group instruction, which will assist you in passing the challenge test on the first attempt. The goal is to save your agency time and money. When you fail the Challenge test, it costs your agency time and money. Our preparation and tutorial course will help you avoid taking the 35-hour classroom instruction, which is required upon failing to pass the challenge Test

Our tutors will guide you step-by-step through the Title 17 & 22 regulations. This will be done at a structured pace, taking extra care to address specific problem areas or concerns. Our tutors will ensure that you are focused on mastering the multiple choice exam, which will allow you to earn your DSP 1 or DSP II certification. This tutorial takes five hours to complete. The individual fee for this course is \$200.00 per person, depending upon your training location.
